The Case Officer UKVI (family spouse visa (FLR (M))

Dear Sir/Madam,

Since Jonalyns arrival in the UK (19th Sept 2023), we have settled into a normal married life (13th Feb 2024). We have become ever more close since her arrival and things are going really well for us as a couple. I can see and feel that Jonalyn is happy about our current situation together and so am I.

Yours Sincerely
