Attn: Immigration Secretary, Home Office,

I am the mother of Robert Baptie.

I know my son well and he has set his heart on marrying his fiancée from the Philippines, Jonalyn Dolendo.

I wish them good luck and happiness in their forthcoming marriage and I think they will make a happy couple judging from the conversations I have had with him. My understanding from him is that the marriage ceremony will take place towards the back end of this year or early next year depending on immigration time scales.

Yours Sincerely
