Secretary of State, Home Office,

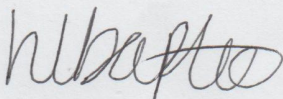

I am the niece of Robert Baptie and my name is Hollie Baptie. Robert approached me to write a short appraisal regarding his intent to marry with his fiancée Jonalyn Dolendo.

During his trip to the Philippines he sent to me photos of their engagement party, held on Sulop Mountain, where I understand Jonalyn's parents reside.

Robert talks about her all the time when he is around and it is clear to me through his spoken word that he means to marry with her at the earliest opportunity.

Yours Sincerely

Hollie Baptie
