Welcome to your new account

Dear Mr R Baptie & Miss J G Dolendo

We're pleased to let you know that your **Flex Instant Saver 2** is open and ready for you to use.

As this letter contains important information about your account, please tuck it away somewhere safe, in case you need it in the future.

Your account details

Your sort code is: 071520

Your account number is: 57693986

You can now pay money into your new savings account using the Internet Bank (if you're registered) or Banking app from any Nationwide instant access savings or current accounts you may have. If you'd like to pay money in from an account you have with another provider, you'll need your sort code and account number.

If you haven't already, please pay money into your account to keep it open. You'll find when you need to do this by in your account's terms and conditions.

Your Flex Instant Saver in a nutshell

- It's instant access, meaning you have the freedom and flexibility to dip into your savings as and when you need, without your interest rate reducing as a result.
- As a thank you for having a current account with us, you'll benefit from a higher interest rate for the 12-month term of the account. After that, your account will move into a different instant access savings account, which will pay a lower rate. We'll be in touch with you about that nearer the time, letting you know what your new rate will be and what your options are.
- This is an online-only savings account, so you'll need to use the Internet Bank or Banking app to pay money in or take money out of your account, or view your activity.

Just so you know, if you haven't set up your nominated account yet (that's any other Nationwide savings or current account, or a current account with another provider, that you'll want to transfer money into), you can do this on the Internet Bank.

You can find all the details about how your account works in the terms and conditions which can be found at nationwide.co.uk/savings/terms

Check your account
whenever you
need with the
Internet Bank.
