You pay by monthly Direct Debit, so your payments are up to date. We regularly review how much you're paying to make sure it's the right amount and will let you know if it needs to change.

Your estimated annual cost.

£434.28 a year for electricity

£81.66 a year for gas

This is an estimate based on your expected annual energy usage, and your current tariff rates, charges and discounts, including VAT. Actual bills will vary depending on your usage and tariff selection. More information about your current tariff is over the page.

Could you pay less?

Remember - it might be worth thinking about switching your tariff or supplier.

For your electricity (on meter point 1100018496625)

Good news, you're already on our cheapest tariff but you could save **£7.02** a year by changing from different day and night rates to having the same rate for both. Get in touch and we'll sort this for you.

For your gas (on meter point 2435222107)

Good news, you're already on our cheapest tariff. We'll let you know if this changes.

Paying by Direct Debit is cheaper than if you pay when you get your bill. For our cheapest overall tariff you may need to change your meter or the way you pay.
