Good news - you pay by monthly Direct Debit (DD) so you're getting cheaper prices than if you pay when you receive your bill, and your payments are up to date. We regularly review how much you're paying to make sure it's the right amount and will let you know if it needs to change.

Remember, if you cancel your DD your prices will increase.

Your estimated cost for the year.

£433.94 a year for electricity

£79.50 a year for gas

This is an estimate based on your expected annual energy usage, and your current tariff rates, charges and discounts, including VAT. Actual bills will vary depending on your usage and tariff selection. More information about your current tariff is over the page.

Could you save money and pay less?

Remember - it might be worth thinking about switching your tariff or supplier.
