Dear Mr Baptie

Many thanks for applying to add Miss J Dolendo to the above account. We just wanted to let you know your request is now complete; and confirm this account is now held in your joint names.

We are working to ensure that as many of our communications as possible are available in Braille, large print or on audio CD. But it's not always possible, so we're sorry if this isn't in the format you've asked for. If you haven't already told us that you need our communications in an alternative format, please call **03457 30 20 11** and we'll try to send you any future communications in a format that's better for you.

Thank you for being part of our Society.
