Dear MR BAPTIE

Your claim for Council Tax Support has been reviewed.

I have added your partner to your claim from 19.09.23. Your single person discount on your Council Tax has been removed.

Please let us know when your partner's immigration status changes.

You continue to qualify for Council Tax Support. Your new reduction is £23.37 per week (rounded). Your awards are as follows.

From 19 Sep 2023 to 01 Apr 2024, Council Tax Support of £23.37 per week.

~~As a result of your revised award, you have been underpaid £162.78 Council Tax Support. This amount has been calculated as follows:~~

Period	Weekly Amount (£)	New Award (£)
19 Sep 2023 01 Apr 2024	17.53	23.37

The reason for the underpayment is as above. The award has been shown as a reduction on your Council Tax account.
