Here's the **PIN** we promised you

Dear MISS JG DOLEND,

We're pleased to send your Personal Identification Number (PIN) for your new FlexAccount card ending in 3102. You can find your PIN hidden behind the tab below.

Have a look at the tab and make sure it hasn't been damaged or tampered with in any way. (If it has, let us know and we'll send you another PIN.)

Peel back the tab and place it over a white surface, like a piece of paper, and you'll see your PIN through it. Once you've memorised your PIN, destroy the tab.

Now that you have your PIN, you can use it with your new debit card which will arrive separately.

Keep your financial information safe

It's important to keep your PIN, as well as your other details, like passwords, secret from anyone else. If someone else knows your PIN, they can access your account.

If you have difficulty using a PIN for any reason, please give us a call or pop into any branch. We can help you by offering a chip and signature card instead.

Not expecting this PIN?

Please give us a call on 0800 30 20 11 or pop into a branch to let us know.

Thank you for being a member.
