## Personal Independence Payment

### Yearly update

Dear Mr Baptie

The rates of Personal Independence Payment (PIP) are looked at every year and any changes will take place from 10 April 2023.

#### What this means for you

Your current total weekly amount is £64.50.

The rates of PIP have been looked at and the amounts have changed.

Your new total weekly amount is £71.00 from 10 April 2023.

The new mobility amount is £71.00.

We may pay you less than your weekly amount if your payment is affected by other benefits, for example; you have a Motability agreement or you are paying money back to us.

The first payment covering the 10 April 2023 could be made up of your new and old amounts.

Yours sincerely

Office Manager
